We know every parent and senior are attached to ALL the images from their session. But, is every image from your session going to end up on your wall? Is every image an amazing piece of art? Does every image need full retouching to be great? The simple answer is...No, No, and No.

If you are in love with all your images you can purchase the non-edit proofs of your session for \$300 or for an additional \$100 when you buy one of our digital packages.
